Identification Card and Information on Personal Data Processing

Read before printing!

We are asking you to confirm your identity because your administrator has granted you authorisation rights or your personal data have changed.

Log in to mBank CompanyNet and check if you can do it online. You will need:

- permissions to authorise orders in the system for another company,
- an account with mBank's Retail Banking,
- an ID card issued after 4 March 2019,
- a qualified certificate.

By verifying your identity online, **you can gain full access to the system faster, save your time and protect our planet by using less paper.**

Attention!
The card must be filled out in **capital** letters.
The card must be filled out by **every mBank CompanyNet user who is entitled to authorise orders or use FX mPlatform and conclude transactions** within the meaning of the Regulations on Opening, Holding and Closing an Integrated Bank Account at mBank S.A.
