§ 26

2. The "Identity card for persons authorised to use the bank account" constitutes an integral part of the "Specimen Signature Card". The Customer is responsible for completing the "Identity card for persons authorised to use the bank account" for every such person.
3. In the "Content / Specimen* of the Company seal" field of the "Specimen Signature Card", the Customer may:
 - 1/ leave the word "Content" and delete the word "Specimen", legibly enter the exact content of the company seal used or print the seal. A change in the font or the ink of the seal, which does not involve a change in the content of the seal, as specified in the "Specimen Signature Card", does not require a change to the "Specimen Signature Card" and is deemed by the parties to the Agreement as insignificant for acceptance and fulfilment of the Customer's instructions by the Bank,
 - 2/ delete the word "Content" and leave the word "Specimen" and include a print of the company seal. For the instructions to be valid, the document containing the instruction must then be stamped with the company seal, which is compliant with the specimen in the "Specimen Signature Card", with the reservation that the specimen of the seal does not involve the type of ink used to make the print of the seal,
 - 3/ delete the words "Content" and "Specimen" and enter "no seal/stamp". In such a case, the inclusion of the Customer's seal shall not be required on the instruction forms.

§ 27

2. The signatures of the persons named in the "Specimen Signature Card" or the signatures of the attorneys referred to in §23, paragraph 1, item 1 letter b and item 2 are required for the bank account instruction to be valid.

2. The persons named in the "Specimen Signature Card" lose the rights to administer the funds in the bank account on the dates specified in paragraph 1 on the basis of a written notice (revocation) sent to the Bank and signed by the persons authorised to make representations on the Customer's proprietary rights and duties.
3. In the event of the failure to notify the bank of the fact referred to in paragraph 2, the Bank shall not be held liable for any resulting damages.

§ 29

1. A change in the persons authorised to administer the funds in the account requires the preparation of a new "Specimen Signature Card" and the cancellation of the existing "Specimen Signature Card".
2. A change in the persons authorised to administer the funds in the account requires the presentation of new documents from which the change arises. In exceptional cases and on the Customer's written request, the Bank may introduce these changes before court registration under the condition that the Bank is presented the originals or notarised copies of documents from which these changes arise. Provisions of §17 paragraph 2 are applied accordingly.
3. The Customer should also submit a new "Specimen Signature Card" if there is a change to:
 - 1/ the company's name,
 - 2/ the company seal,
 - 3/ the Customer's legal form,and other reasons that affect the administration of the funds in the bank account.

Such a restriction may also follow the decision of an authorised body of state administration. In such cases the Customer's instruction shall be ineffective.

§ 36

After having signed separate agreements, the Customer may place the instructions:

- 1/ electronically through an electronic banking system used by the Bank other than the internet banking system,
