

Expenses incurred by mBank Group to support culture, charities and social organizations in 2021

Donations made by mBank Group, allocated to other operating costs, amounted to PLN 4.9 million in 2021, of which PLN 2.4 million was dedicated to statutory tasks of mBank Foundation. In line with the “m for mathematics” strategy, mBank Foundation activities focus on programs related to education and promotion of mathematics. In addition, mBank provided PLN 2 million to the Great Orchestra of Christmas Charity Foundation in 2021. mBank is the main financial partner for the Foundation.
