A permanent power of attorney may be granted as:

- 1/ a general power of attorney (as understood in these Regulations) under which the attorney may operate to the same extent as the Customer, including cheque operations,

§ 21

The attorney is not entitled to grant further powers of attorney unless the contents of the power of attorney specifies otherwise.

§ 22

1. A power of attorney may be granted by the Customer:
 - 1/ directly at the Bank's branch that holds his account, by:
 - a/ entering the attorney's details into the "Specimen Signature Card". In order for the power of attorney to be valid, the attorney must submit a specimen signature on the "Specimen Signature Card". The power of attorney should be confirmed by the signatures of the attorney and the Customer, placed on the "Specimen Signature Card" in the presence of a Bank representative. In absence of anything contrary, it is assumed that the power of attorney granted by way of entry in the "Specimen Signature Card" is a general power of attorney (within the meaning of these Regulations);
 - b/ submitting to the Bank's branch that holds the Customer's account a Customer instruction authorising the attorney to perform specific activities in the account in

Chapter VI Specimen Signature Card

§ 25

1. The “Specimen Signature Card” constitutes an integral part of the Bank Account Agreement. With the reservation of the iBRE Regulations, it is a document that defines the rights of the persons to administer funds in the Customer’s account/accounts and is used to record specimens of their signatures.
2. The “Identity card for persons authorised to use the bank account” constitutes an integral part of the “Specimen Signature Card”. The Customer is responsible for completing the “Identity card for persons authorised to use the bank account” for every such person.

3. In the “Content / Specimen* of the Company seal” field of the “Specimen Signature Card”, the Customer may:
 - 1/ leave the word “Content” and delete the word “Specimen”, legibly enter the exact content of the company seal used or print the seal. A change in the font or the ink of the seal, which does not involve a change in the content of the seal, as specified in the “Specimen Signature Card”, does not require a change to the “Specimen Signature Card” and is deemed by the parties to the Agreement as insignificant for acceptance and fulfilment of the Customer’s instructions by the Bank,
 - 2/ delete the word “Content” and leave the word “Specimen” and include a print of the company seal. For the instructions to be valid, the document containing the instruction must then be stamped with the company seal, which is compliant with the specimen in the “Specimen Signature Card”, with the reservation that the specimen of the seal does not involve the type of ink used to make the print of the seal,
 - 3/ delete the words “Content” and “Specimen” and enter “no seal/stamp”. In such a case, the inclusion of the Customer’s seal shall not be required on the instruction forms.

§ 26

1. If the Customer decides that instructions for his account are to be signed by more than one person, two or more signatures will be required in the combination specified by the Customer.
2. The signatures of the persons named in the “Specimen Signature Card” or the signatures of the attorneys referred to in § 22, paragraph 1, point 1 letter b and point 2 are required for the bank account instruction to be valid.

§ 27

1. The “Specimen Signature Card” is valid until it is revoked in writing by the Customer. The revocation is effective on the day following the date the Bank receives the revocation or on a later date, as specified by the Customer.
2. The persons named in the “Specimen Signature Card” lose the rights to administer the funds in the bank account on the dates specified in paragraph 1 on the basis of a written notice (revocation) sent to the Bank and signed by the persons authorised to make representations on the Customer’s proprietary rights and duties.
3. In the event of the failure to notify the bank of the fact referred to in paragraph 2, the Bank shall not be held liable for any resulting damages.

§ 28

1. A change in the persons authorised to administer the funds in the account requires the preparation of a new “Specimen Signature Card” and the cancellation of the existing “Specimen Signature Card”.
2. A change in the persons authorised to administer the funds in the account requires the presentation of new documents from which the change arises. In exceptional cases and on the Customer’s written request, the Bank may introduce these changes before court registration under the condition that the Bank is presented the originals or notarised copies of documents from which these changes arise. Provisions of § 16 paragraph 2 are applied accordingly.
3. The Customer should also submit a new “Specimen Signature Card” if there is a change to:
 - 1/ the company’s name or address,
 - 2/ the company seal,
 - 3/ the Customer’s legal form, and other reasons that affect the administration of the funds in the bank account.

8. In case of domestic or foreign incoming payment orders fulfilled by the Bank, the Bank shall make postings exclusively with the use of the beneficiary's account number included in the incoming payment order. The Bank shall not verify the name against the beneficiary's account number.
9. The Bank may withhold fulfilment of transactions on the account in the event of failure in the computer system or of the telecommunication system which make the access to accounting records and ongoing handling of accounts impossible, until such a failure is remedied.
10. The Bank's suspension or refusal to fulfil transactions for the reasons specified in paragraphs 3, 4, 7 and 9 shall not breach the terms and conditions of the Bank Account Agreement.

§ 30

The Customer is obliged to observe forms and principles that apply to monetary settlements in domestic and international trading that apply in the Bank.

§ 31

1. A payment instruction shall be deemed received by the Bank upon receiving by the Bank a payment instruction that is correctly filled in, provided, however, that if the Bank has received a payment instruction on a non-business day, it shall be deemed received by the Bank on the first business day thereafter.
2. If the Bank receives a payment instruction referred to in paragraph 1 after the cut-off time specified by the Bank pursuant to paragraph 3, it shall be deemed received by the Bank on the next business day for the Bank.
3. The details relating to:

- 1/ cut-off times and fulfilment dates applicable to the Customer's instructions,
- 2/ the amount limit of cash withdrawals above which the Bank must be advised (in person, by tested (encrypted) fax transmission or via electronic banking systems) and
- 3/ the forms and methods applied by the Bank to cash settlements, shall be notified to the Customer by displaying information in the Bank's operating rooms or on the BRE Bank Group website.

§ 32

1. The Customer may submit payment instructions with a future fulfilment date.
2. If the date for the fulfilment of the instruction referred to in paragraph 1 is a non-business day for the Bank, the Bank shall fulfil the instruction on the Bank's first business day following the nonbusiness day.
3. The Customer may cancel the submitted payment instruction up to the business day preceding the instruction fulfilment date inclusive.

§ 33

1. The Bank carries out payment instructions of the Customer denominated in the zloty or in a foreign currency included in the BRE Bank SA Exchange Rate Table, with the reservation that payment instructions involving incoming and outgoing cash payments are carried out only in currencies notified to the Customer by displaying information in the Bank's operating rooms or on the BRE Bank Group website.
2. In the case when it is necessary to convert the instruction amount, the Bank effects the transaction using the exchange rate of the currency referred to in paragraph 1, applicable at the Bank at the time when the payment instruction is carried out.
3. The principles specified in paragraphs 1 and 2 apply, unless the provisions of separate agreements entered into between the Customer and the Bank provide otherwise.

§ 34

1. The Bank shall have the right to:
 - 1/ fulfil instructions in any manner that is deemed reasonable in the light of specific features of a given instruction,

2. With the reservation of paragraph 4, upon the Customer's order, the Bank may fulfil the instruction to:
 - 1/ set the priority for fulfilling instructions,
 - 2/ block a specific amount.
3. The Customer's instructions shall not suspend any payments of amounts due to the Bank. The Bank's claims against the Customer, including any claims resulting from any other agreements between the Customer and the Bank, may be deducted without making any other statements to the Customer.
4. The ability of the Customer to administer the funds in the account may be restricted following a written notice sent to the Bank by a bailiff or an administrative enforcement authority to perform an enforcement seizure or to seize monetary claims from the bank account in connection with enforcement proceedings or proceedings to secure claims. Such a restriction may also follow the decision of an authorised body of state administration. In such cases the Customer's instruction shall be ineffective.

§ 35

After having signed separate agreements, the Customer may place the instructions:

- 1/ electronically through an electronic banking system used by the Bank other than the internet banking system,
- 2/ using telecommunications systems.

§ 36

1. The Bank is liable for the prompt and correct performance of monetary settlements provided that the instruction is placed in a manner that enables its correct fulfilment. The Bank's liability does not cover damages caused by circumstances beyond the Bank's control, in particular, force majeure or decisions of the state authorities. In any case, the Bank's liability shall be limited to the loss and shall not cover the Customer's lost benefits.
2. The Bank shall pay default interest at the statutory interest rate for every day of delay in the fulfilment of the Customer's correct instruction for reasons other than stated in these Regulations, which shall be calculated on the amount of the Customer's instruction.

§ 37

3. The content or print of a company seal on the Customer's instructions must comply with the content or specimen of the stamp on the "Specimen Signature Card".
4. Any payment instructions submitted to the Bank pursuant to paragraphs 1 through 3 shall be deemed authorised by the Customer. The authorisation of a payment instruction shall be tantamount to the Customer's consent to the fulfilment of such instruction.

§ 39

In the event that the Bank refuses to fulfil a payment instruction, the Bank shall promptly notify the Customer of such refusal and of the reason for such refusal.

Chapter VIII Forms Required for Administering the Funds in the Account
