The Parent Company's Management Board is responsible for preparing the consolidated interim financial statements in accordance with International Financial Reporting Standards as adopted by the European Union applicable to interim financial reporting (IAS 34). Our responsibility was to express a conclusion on the consolidated interim financial statements based on our review.

We have performed our review in accordance with the auditing standards issued by the National Board of Registered Auditors, applicable in the Republic of Poland. Under these standards, we were obliged to plan and perform our review to obtain reasonable assurance that the consolidated interim financial statements were free of material misstatements. We have performed our review on the basis of an analysis of the above-mentioned consolidated interim financial statements, a review of the consolidation documentation and the information obtained from the Management Board of the Parent Company and the employees of the Group.

**Registered auditor's report on the review  
of the interim consolidated financial statements  
for the period from 1 January to 30 June 2007**

**To the General Shareholders' Meeting and the Supervisory Board  
of BRE Bank SA (cont.)**

The scope of our work was considerably less than the scope of an audit of the consolidated financial statements, because our review was not aimed at expressing an opinion on the truth and fairness of the consolidated interim financial statements. This report does not constitute an audit opinion on the consolidated financial statements within the meaning of the Accounting Act of 29 September 1994 (Journal of Laws of 2002, No. 76, item 694 with subsequent amendments).

Our review has not revealed a need to make any significant changes to the attached consolidated interim financial statements to obtain true and fair view of the Group's financial position as at 30 June 2007 and of the results of its operations for the period from 1 January to 30 June 2007 in compliance with International Accounting Standard 34 "Interim financial reporting".
